Disposal and Recycling Information

The crossed-out wheelie-bin symbol means your product and/or battery must be disposed of separately from household waste, in accordance with local laws and regulations. When they reach their end of life, take them to a retail store or collection point designated by local authorities, free of charge. Separate collection

and recycling helps conserve natural resources and recycle in a manner that protects human health and the environment. For information about Apple's recycling program, collection points, restricted substances, and environmental initiatives, visit apple.com/uk/environment.

Apple One-Year Limited Warranty Summary

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store or an Apple Authorized Service Provider—available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international shipping charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at apple.com/uk/legal/warranty and support.apple.com/en-gb, if you submit a valid claim under this warranty, Apple will either repair, replace, or refund your hardware device at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

For EU/EFTA/UK Consumers: Apple means Apple Distribution International Ltd., Hollyhill Industrial Estate, Cork, Ireland. Consumers might have remedies free of charge against the seller in the event of a lack of conformity, which are not affected by this warranty.
